

**TILEIN32, TILEIN40,
TILEIN48, TILEIN56,
TILEIN64, TILEIN72**

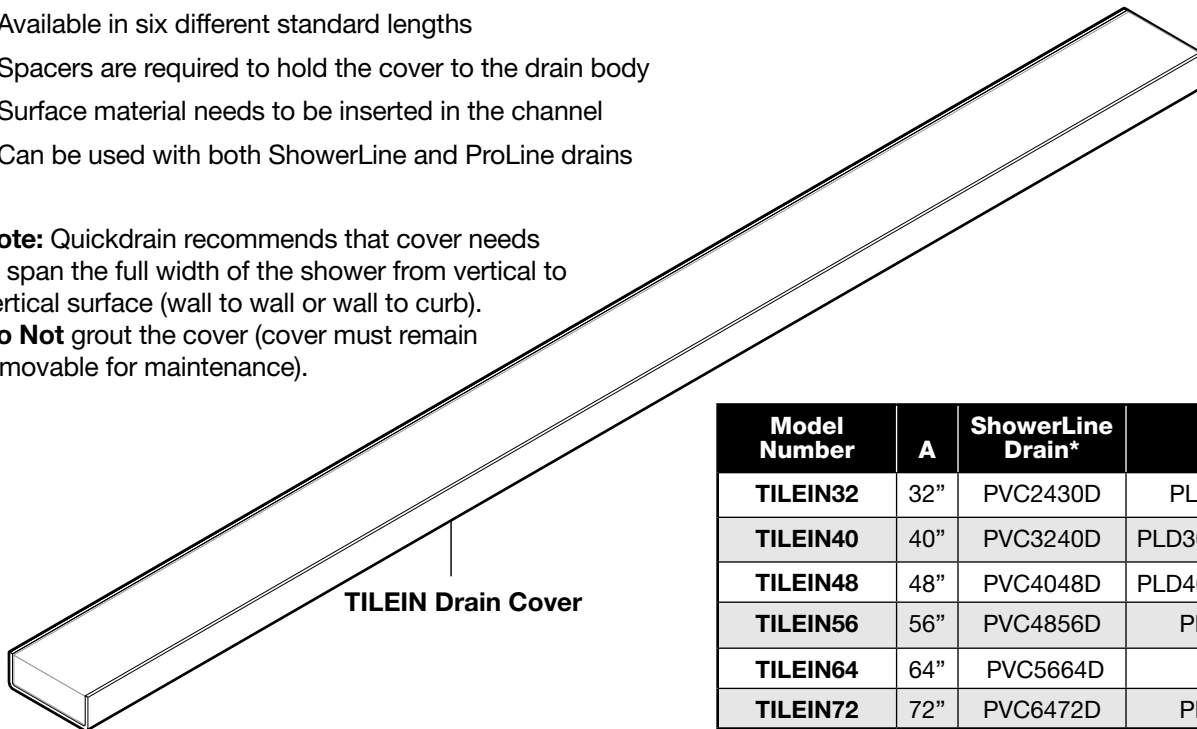

Features

- Removable
- Made of 304 stainless steel
- Available in six different standard lengths
- Spacers are required to hold the cover to the drain body
- Surface material needs to be inserted in the channel
- Can be used with both ShowerLine and ProLine drains

- Can be cut on site to fit exact finished opening
- Height adjustable with use of spacers.

Note: Quickdrain recommends that cover needs to span the full width of the shower from vertical to vertical surface (wall to wall or wall to curb).

Do Not grout the cover (cover must remain removable for maintenance).

Model Number	A	ShowerLine Drain*	ProLine Drain*
TILEIN32	32"	PVC2430D	PLD26, PLD27.5
